Hong Kong Society of Nuclear Medicine (HKSNM)
28th Anniversary Scientific Symposium
& Inauguration of Distance Assisted Training (DAT) Programme
For Nuclear Medicine Professionals

16th November 2013 (Saturday)

Year 2013 is the 28th Anniversary of HKSNM. The liaison with IAEA for the Distance Assisted Training (DAT) Programme for radiographers/technologists in Hong Kong is ready this year. The Council has decided to organize a Scientific Symposium and the DAT Programme Inauguration on 16 November 2013 (Saturday).

The main theme of the symposium is “Advances in Nuclear Medicine”. In this whole day event, distinguished and eminent local and overseas speakers will share with us the latest development and their expertise knowledge on PET/MR, dementia imaging, cardiac imaging, FDG/non-FDG PET tracer in nuclear oncology.

The event will be held in Sheraton Hong Kong Hotel & Towers. Symposium agenda is available on our website <http://www.hksnm.org>. Registration is now open, please make your reservation early (*on first-come-first-served basis*).

We look forward to seeing you on the coming Anniversary Symposium & DAT Programme Inauguration.

Yours sincerely,

Dr. CM LOK
President
Hong Kong Society of Nuclear Medicine
